01 / Profile

An IT engineering graduate and developer whose deep interest in building software solutions led into the challenging world of industrial project planning and control – combining technical development knowledge with rigorous project-management principles so ideas land as real, valuable deliverables on time and within budget.

02 / Experience

- Project Planning & Control

Bushehr Nuclear Power Plant Headquarters

Feb 2026 – Present
- Project Planning & Control

Pars Behm Qeshm Heavy Oil Refinery Management Co.

2024 – 2025
- IT / Project Planning & Control

Negin Maktan Petrochemical Development

2022 – 2024
- IT / Project Planning & Control

Ahraf Mehran Petrochemical

2020 – 2022
- IT / Project Planning & Control

Mazra Combined Cycle Power Plant

2017 – 2020
- IT / Project Planning & Control

South Pars Phase 14

2016 – 2017
- Project Planning & Control / Industrial Materials & Equipment Specialist

Mazra Combined Cycle Power Plant

2013 – 2015

03 / Tools

- Oracle Primavera P6
- Microsoft Project
- CompTIA Network+
- CompTIA Security+
- Python
- JavaScript
- HTML / CSS
- Power BI

04 / Expertise

Project Planning & Control

Roadmap definition, activity and resource planning, precise scheduling, progress monitoring, deviation control and analytical stakeholder reporting.

Web Developer

Designing and building web applications; responsive frontend, server-side logic, databases and secure APIs.

Network Design & Implementation

Topology design, router and switch configuration, VLAN and subnetting, LAN/WAN setup and optimization.

05 / Certifications

- CPMAI™ – Cognitive Project Management in AI

Project Management Institute · Aug 2026
- PMI® Essentials: Seven AI Project Patterns

Project Management Institute · Aug 2026
- Generative AI Overview for Project Managers

Project Management Institute · Aug 2026
- PMP® Online Courses

Project Management Institute · Aug 2026
- PMI Citizen Developer™ – CDBA Introduction

Project Management Institute · Aug 2026
- Google Cloud Skills Boost

Project Management Institute · Aug 2026

13+

Years in industrial projects

6

Major oil, gas & power projects

6

International certifications
